# ***Report on " Session on National Mutual Fund Olympiad Financial Expert Programme "***

***Day/ Date - Thursday /27-11-2025***  
***Location -MBA Block***

**A special training session was held on the Mutual Fund Olympiad and Certified Financial Expert Program. This valuable session, conducted by expert Manish Srivastava, introduced students to the financial markets, mutual fund investments, risk management, and career-oriented financial skills. Manish Srivastava provided simple and practical guidance to students on types of mutual funds, investment strategies, market analysis, and the importance of financial literacy**

**He made students aware of upcoming financial career opportunities and encouraged them to make informed investment decisions. The program was successfully coordinated by Anila Sharma, Nisha Singh, and Ankit Agarwal. All three coordinators played a key role in organizing the session and ensuring active student participation.**

**Vice Chairman Dr. Anshu Surana described the session as extremely useful for students and said that financial literacy is a crucial need today. She added that such programs equip students with real-life financial management, investment understanding, and career prospects.**

# Thank You
